EDUCATION IN THE MEDIA

PUNCH NEWSPAPER SATURDAY JANUARY 14TH 2023 - FG Seeks Partnership on Access to Education: The Federal Government has declared that the lingering number of out-of-school children is inimical to the economic growth and advancement of Nigeria.

The Minister of State for Education, Goodluck Nanah, who disclosed this at the commencement of the campaign for out-of-school children in Abeokuta, Ogun State, urged state governors and stakeholders to intensify the effort to eradicate the menace.

He said, "We must always remember that education is our collective responsibility and its failure can well be taken as the failure of us all. This calls for the need for all hands to be on the deck."

VANGUARD NEWSPAPER MONDAY JANUARY 16TH 2023 - JAMB's Lonely Road To Federalism: Mr Lakemfa, a columnist said in his piece that a country wracked with corruption and impunity, cannot but be confronted by examination malpractices and admission rackets even by institutions. This was the conclusion he reached at the end of the January 8, 2023 Stakeholders Meeting between the Joint Admissions and Matriculation Board, JAMB, and media executives.

Another conclusion was that no matter how degenerate things become, we must never be short of men and women determined to fight the scourge. "JAMB Registrar, Professor Is-haq Olarewaju Oloyede narrated stories of the Board's unending battles with fraudsters who try to beat the system.

He said for example, during the 2022 UTME/DE registration, some cartels collected N200, 000 from candidates who they promised to offer assistance to score at least 300 marks in the examinations. Having been tipped off about these cartels, JAMB allowed all the candidates to register and sit for the examination.

"Their results were then withheld and for two months, none of the candidates protested. Then it decided to play a mind game with the candidates; it invited all of them to re-write the examination." But the cartels sabotaged the attempt by ensuring the systems broke down at the centre, so the examination could not be conducted.

As part of counter measures, the Registrar said the Board in 2023 would not release results of candidates who are exempted from biometric verification until same have been subjected to proper scrutiny.

The examination body had in 2017 introduced the Central Admissions Processing System, (CAPS), to automate admission into all tertiary institutions in the country, but many of the institutions simply bypassed it. Oloyede informed that the Federal Government has granted a waiver to enable JAMB process retroactive admission letters to the affected students after careful verification of the minimum requirements for admissions into the tertiary institutions.

To check the fraudulent issuance of Advance Level results, the Board, he said, is putting in place a Validation Process built on functional database, and only

results in the Databank can be used for Direct Entry into universities. JAMB also introduced an electronic system (Autobot) which provides Artificial Intelligence on the capacity of every CBT Centre, simulates real-time examination condition and helps in Pre-Accreditation Assessment.

In trying to devolve more powers to the tertiary institutions JAMB is finding creative legal means of financially supporting the institutions while encouraging healthy competition amongst them. For instance, it has a running Corporate Social Responsibility component called the National Tertiary Admissions Performance Merit Award, NATAP-M.

It is in five categories with each category attracting N100 million. The amount of N75m goes to the winner, N15m to first runner-up and N10m to the second. Professor Oloyede at the forum announced the increase of the prize money to N750m. To ensure it goes round, winning institutions cannot win the prize until five years later.

PUNCH NEWSPAPER TUESDAY JANUARY 17TH 2023 - UTME Registration Ends February, Exam Begins April: A breakdown of fees to be paid by candidates for the 2023 Unified Tertiary Matriculation Examination has revealed that candidates who decide to opt for the mock UTME will pay a total of N6, 700, while those who choose not to sit for the mock UTME will pay N5, 700.

According to the breakdown of fees for

the 2023 examinations, the UTME/DE application fee will be N3, 500. The Board also noted that N500 would be paid for the reading text; the sum to be charged by CBT centres would be N1, 700 for those who do not opt for the mock UTME, while the CBT service charge for those who opted for the mock would be N2, 700.

In addition, a total of N700 would be paid as a registration centre service charge and N1, 000 as an examination centre service charge.

In all, the Board noted that the grand total without mock would be N5, 700; with mock, N6, 700 and N4, 700 for Direct Entry applicants.

DAILYSUN NEWSPAPER TUESDAY JANUARY 17TH 2023 - Sale of UTME Forms: JAMB Warns Financial Institutions Against Extortion:

The Joint Admissions and Matriculation Board (JAMB) has warned financial institutions participating in the sale of its application documents for the 2023 Unified Tertiary Matriculation Examination (UTME) against extortion of candidates. The Board stated that only its accredited financial institutions would be allowed to vend its e-PINs.

The Registrar, Prof. Is-haq Oloyede, at a session with financial institutions recently, stated that all participating vendors/tellers must indicate interest and register with the Board for ease of

identification and record keeping.

While thanking the financial institutions for their support to the JAMB over the years, he said their timely and priceless ideas and suggestions have helped to drastically reduce the financial burden of its transactions and transformed the financial processes of the Board to one that is in tune with modern dictates.

Oloyede admonished vendors to be upright in their dealings with the aspiring UTME/DE candidates so as not to run foul of its extant rules of engagement. The Registrar, while explaining the seamless payment process, said each candidate must have obtained the National Identification Number (NIN) as that is the gateway to the registration because the candidates would first create a profile by sending their NIN, followed by a space, then the eleven-digit number (NIN) to 55019 or 66019. **Also available in TRIBUNE NEWSPAPER THURSDAY JANUARY 19TH 2023.**

TRIBUNE NEWSPAPER WEDNESDAY JANUARY 18TH 2023 - LAUTECH, IBB Varsity Researchers Win TETFundGrants:

A team of four researchers from the Ladoké Akintola University of Technology (LAUTECH), Ogbomoso, Oyo State, has won N89.1 million as research grant from the Tertiary Education Trust Fund (TETFund), under the 2021 TETFund National Research Fund (NRF)

Intervention.

This was contained in a statement made available to The Nigerian Tribune on Monday by the public relations officer of the institution, Mr. Lekan Fadeyi.

While the acting Vice-Chancellor of LAUTECH, Professor Mojeed Olaide Liasu, lauded the scholars for their efforts in winning the grants, the Registrar of the institution, Dr Kayode Ogunleye, appreciated them for their contributions to the awards that had added to the laurels of the university.

Earlier, the Director of LAUTECH Centre of Research, Innovation and Development (LAUCRID), Professor Taofik Adedosu, in his remark had commended the Management of the University for its support, which he said had enabled the centre to excel.

In another development, some researchers from the Niger State-owned Ibrahim Badamasi Babangida University Lapai (IBBUL) have won grants from the Tertiary Education Trust Fund (TETFund) under the National Research Fund (NRF) intervention.

The research grant which is to the tune of over N70 million was won by three teams with Professors Musa Dickson Achimugu, Dadi-Mamud Naomi John and Dr Yusuf Ishaqas principal researchers.

LEADERSHIP NEWSPAPER SATURDAY, 21ST JANUARY, 2023– WAEC Sanctions 13 Secondary Schools Over Exams Malpractice

∴ The West African Examinations Council (WAEC) has sanctioned 13 Secondary Schools in Gombe State over cases of examination malpractice.

The Director of examinations in the Gombe State Ministry of Education, Ali Yaya, disclosed this during a meeting with principals of secondary schools in the state.

He said the development was a major setback in the ministry's effort to improve the education sector in the state as it had led to the de-recognition of seven public schools in the state between 2018 and 2020 by WAEC and in 2022, six schools caught have been de-recognised by WAEC and fine with a N500,000 penalty.

According to the him, examination malpractice is currently the major challenge facing senior secondary schools in the state, and the menace must be tackled before it escalates to other schools.

He warned schools to avoid malpractice of any forms, adding that any school found wanting again would be seriously punished.

...2023 UTME: No Examination One Hour After Scheduled Commencement Time - JAMB

rescheduled for other available sessions. It added that the affected candidates would be required to wait at their centre to receive official communication from the Board's National Headquarters, Abuja, as to when their lost session would be rescheduled.

The statement reads in parts,

“Candidates would be notified of their new scheduled centre before they leave the examination centre. Furthermore, no candidate is allowed to spend less than one hour before submission during his/her examination.”

The Board observed that late commencement of examination or early

departure from examination hall could jeopardise the conduct of the examination by giving some candidates undue advantage over their contemporaries taking the examination.

The Board stated that the new advisories are to ensure a level playing field for all candidates taking the examination.

JUSTIFY YOUR PARENTS INVESTMENTS IN YOU, OLOYEDE CHARGES FUOYE'S FRESH STUDENTS

A call has gone to the seven thousand, three hundred new intakes of the Federal University, Oye-Ekiti, Ekiti State, to justify their parents' huge investments in their education.

This charge was given by the Registrar of the Joint Admissions and Matriculation Board (JAMB), Prof. Is-haq Oloyede, at the sidelines of the 12th Matriculation Ceremony of the University, which was held on Friday, 13th January, 2023.

Prof. Oloyede, who was represented at the event by the Ag. Coordinator of the Ekiti State Office of the Board, Mr. Ebenezer Owolafe, urged the students to stay focused and shun anti-social activities that could derail their primary objective at the institution as they have to justify their parents' confidence and

huge investments in them.

Speaking with JAMB Bulletin at the venue of the ceremony, the Registrar said, “It is not enough to get matriculated in an institution, because many get matriculated but never graduated not for reasons attributed to acts of God but through peer pressure, indolence, cultism, incessant partying and clubbing, excessive religious activities, students' unionism, among others.”

“The only way a child sent to school by a parent can make such parent happy and fulfilled is for the child to concentrate on his studies, and graduate not only with good grade but also with good character and learning.”

In his address on the occasion, the Vice Chancellor of the University, Prof. Abayomi Fasina, attributed the success

story of the institution to hardwork and discipline, adding that based on the statistics from JAMB, FUOYE was one of the most-subscribed institution in Nigeria in 2022, noting that such an achievement was unexpected given the short period of the establishment of the University.

The Vice Chancellor admonished the newly-matriculated students to distance themselves from all acts inimical to the image of the University as well as their families, stressing that the Senate of the Institution would not hesitate to sanction any act capable of tarnishing the good reputation of the University.

He, therefore, urged the matriculating students to focus on their studies and shun all unwholesome activities capable of bringing the name of the school to disrepute.

AUGIE MONITORS 2023 UTME IN KEBBI, ZAMFARA

The Ag. Director, Sokoto Zonal Office of the Joint Admissions and Matriculation Board, (JAMB), Mr. Samaila Augie, has taken a tour of the State Offices of the Board under his jurisdiction to monitor the 2023 UTME registration exercise in order to provide first-hand supervisory solutions to any identified problems during the exercise. He urged staff of the various facilities to stay focused, committed and loyal to the services of the Board.

In his message at the Zamfara State Office on Monday, 16th January, 2023, the Ag. Zonal Director expressed satisfaction with the level of commitment of staff of the State Office to their duties while impressing it on them to keep the

fire burning.

In his words, “I urge you to remain dedicated to your work, as there is reward for hardwork, whenever you get rewarded in the future, you will remember my words of today, so keep it up.”

Responding, the Zamfara State Coordinator, Mr. Dabo Sani, expressed appreciation to Mr. Augie for the visit, noting that such a visit was a morale booster to members of staff of the State Office.

In like manner, the Kebbi State Office on Tuesday, 17th January, 2023, played host to Mr. Augie. In his address on the occasion, he charged the staff to be disciplined and maintain their rules of

engagement as enshrined in the Public Service Rules (PSR).

In his comments, the Kebbi State Coordinator, Mr. Ibrahim Muazu thanked the Zonal Director for the visit while pledging the unwavering support of the State Office to the leadership of the Board at all times.

...THE GAMBIA 2023: AWAU, An Opportunity For West African Universities to Re-strategise on Education Impact

Association of West African Universities (AWAU) in Banjul, The Gambia, with the theme: "Repositioning Higher Education in West Africa for the 21st Century: Challenges and Opportunities."

According to him, the conference is an opportunity to take stock of our performance, reflect on its achievements, identify its challenges, map out opportunities to deepen its contributions in teaching, research and application of knowledge to solve problems in Africa.

While declaring the conference open, the Special Guest of Honour, the Minister of Higher Education, The Gambia, Prof. Pierre Gomez, represented by Mr. Muktar Darboe, the Deputy Permanent Secretary, Technical, said there is a big burden on the academia for them to research and innovate to speed up the development of the African continent to accommodate its rising population, devise appropriate ways of funding university education as well as address the rising socioeconomic challenges in Africa.

In a similar vein, the Chairman of AWAU, Prof. Abdullahi Bala, Vice-Chancellor, Federal University of Technology, Minna, in his opening remarks said, "AWAU has since 2013 unfailingly organised annual conferences to deliberate extensively on issues concerning higher education in West Africa. Previous conferences were held in Ouagadougou, Burkina Faso (2013); Cape Coast, Ghana (2014); Abuja, Nigeria (2015); Abidjan, Cote d'Ivoire (2016); Niamey, Niger Republic (2017); Dakar, Senegal (2018); and Benin Republic (2019)."

According to him, the 2023 Conference should have been held in 2020, but, "Here we are holding it three years later." The conference, which was scheduled to hold on 15th-17th September, 2020, could not hold because of the onset of the COVID-19 pandemic and its attendant disruptions of most activities, including international flights and academic activities.

He called on all participants at the conference to note, "The challenges facing higher education in West Africa, which are numerous, including the

perennial problems of massification, inadequate capacity to absorb qualified applicants for higher education, low levels of internationalisation and students' mobility, and inadequate collaboration for cross-border research among institutions in the region."

He urged members to reflect, in their discussion at the conference, the new realities of the post-COVID era and the steps needed to be taken by AWAU in promoting, forging and facilitating unique partnerships and cross-border collaborations towards leveraging on the opportunities available to higher educational institutions and the academic community in general to combat existing and emerging challenges.

Prof. Yakubu Ochefu delivering the keynote address on "Education 4.0 and Reorienting Higher Education in West Africa for National and Regional Development" declared that the conference affords all the opportunity to take a hard and critical look at the triggers for the disruption of the nature and character of higher education in the sub-region and how participants can translate these into opportunities as part of efforts to reform and transform the sector.

Furthermore, he stated that globally, the higher education business has been in a state of transformation for the past two decades and disclosed that two major forces have been driving this transformation. He said these were the role of knowledge in the development of contemporary societies and the broader application of information technologies in education delivery. He posited that a significant debate in higher educational discourse is how the university system will confront the challenges and changes occasioned by globalisation.

Goodwill messages were taken from Secretary General, AVCNU, Prof. Yakubu Ochefu; Vice Chancellor, Cape Coast, Ghana; Prof. Johnson Boampong; President, WARIMA, Dr. Kanteh Dembo; the Registrar, JAMB, Prof. Is-haq Oloyede, and the Executive Secretary, NUC. In addition, where all welcomed the collaboration with other research organisations like WARIMA. They

stressed the need for collaboration between research management and the university leadership as a key to delivering on the deliverables.

The Registrar, Prof. Is-haq Oloyede, urged the universities to do more as the hope of the region lies on the academia adding that this can be supported by peer review. He also submitted that ensuring inter-personal friendship across the ivory towers, among others, would help in the development of the sub-region.

Chairing a session on "Global Perspectives", Prof. Is-haq Oloyede commended the quality of presentation as he urged all to ensure the full adoption of the issues while decrying the low attendance at the conference saying those absent cannot imagine what they are missing. He tasked all to ensure that their colleagues are well-informed of the benefits of coming on Board.

Papers were presented on "Universities: Past, Present and Future Oxford University, UK"; Partnerships, Collaborations and Inter-University linkages" as well as "Entrepreneurship and Enterprise Development."

A session was dedicated to "University Research and Development" and was chaired by Prof. Labode Popoola; "Setting up a Research Management Office" chaired by Dr. Denbo; while "Research and Development as Catalyst for Change" was chaired by Prof. Nana Oye Akuffor, from the University of Ghana.

Presentation of papers were also made on "Bridging the Gap between Research and Project: The Role of Implementation of Science /Research"; "Underutilized Tropical Seeds: Vital Source of Wealth and Nutricosmeceutics for Sustainable Health and Greener Environment" and "Establishing Research Management Office (RMO) - Catalyst for Institutional Research Development," among others.

A manor highlight of the conference was the election of new Executives to pilot the affairs of the Association. Thus, Prof. Johnson Boampong, Vice-Chancellor, University of Cape Coast, was elected the Chairman; The Vice Chancellor of the University of The Gambia, Prof. Herbert Robinson is the Vice-Chairman for the Anglophone countries; Prof. Abdulwahab

2023 UTME/DE REGISTRATION: THERE IS REMARKABLE IMPROVEMENT IN THE PROCESS - Adebisi

The Abia State Coordinator, Mr. Johnson Adebisi, has described the ongoing 2023 UTME/DE registration in the State as one of the best in a series. He expressed this view during the virtual meeting he held with the Proprietors of CBT Centres in the State recently.

According to the State Coordinator, the virtual meeting, which had in attendance all the CBT Centres in the State, was organised to review the ongoing 2023 UTME/DE registration exercise as well as disseminate vital information emanating from the Board's National Headquarters, Abuja, to the participants.

He stated that based on feedbacks from the monitoring exercise being conducted by the State Office, the ongoing 2023 UTME registration had been seamless and was marked with considerable improvement. This position was corroborated by the Centre Proprietors when they unanimously agreed during the meeting that the registration process had so far been hitch free.

Mr. Adebisi used the opportunity afforded by the meeting to inform the attendees that candidates, who bought the wrong ePINs can change same at the centre where such was procured by simply paying the difference in price.

He also advised the centres to update their records of the reading texts they collected from the State Office on the Stock Management platform to enable the Board make informed decisions.

Mr. Adebisi also stated that CBT centres in the State had resolved to assist candidates without Android phones to help them scan the QR Barcode during registration to enable them access the eBrochure and eSyllabus. He, however, decried the reported cases of request for commission by some CBT centres from ePIN vendors and urged them to desist from this act.

The State Coordinator also commended

ALL PERSONNEL FOR UTME TO SIGN UNDERTAKING - JAMB

As part of its quality assurance measures aimed at enhancing the credibility of its examination, the Joint Admissions and Matriculation Board (JAMB) has informed all its personnel participating in the conduct of the 2023 UTME that they had to sign an

undertaking for good conduct before they would be assigned any role before, during and after the examination.

In statement made available to JAMB Bulletin, the Board listed those personnel to include permanent staff, ad-hoc staff, service providers, CBT Centres,

other partners, candidates before completing their registration.

According to the statement, the advisory is designed to guard against any infraction during the conduct of the examination as well as make them accountable for all responsibilities

...All Personnel for UTME to Sign Undertaking - JAMB

assigned to them in the course of their engagement with the Board.

The Board reminded its personnel of the consequences of non-adherence to this advisory as any infraction on the rules of engagement would not be taken with levity.

With regard to candidates, the statement added, "Candidates involved in any unwholesome practice during the examination might be barred from sitting the UTME for up to three years in addition to publishing their names in some national newspapers as well as circulating

same to other public examination bodies. Culprits might also be handed to the EFCC, ICPC or the Nigeria Police for prosecution to serve as deterrent to others."

OGUN STATE COORDINATOR MEETS CBT OWNERS, WARNS AGAINST SHARP PRACTICES

...Sets Up 5-Man Committee

In his bid to ensure a seamless registration exercise, the Ogun State Coordinator, Mr. Hakeem AbdulHameed, has warned accredited CBT centres in the State to shun acts that could jeopardise the ongoing 2023 UTME registration exercise.

The State Coordinator, who stated this at a meeting with Centre Proprietors over the weekend, stated that the meeting was a follow-up to the earlier one held by the Registrar with all critical stakeholders in the build-up to the sale of 2023 UTME application documents.

Mr. AbdulHameed advised CBT Centre Administrators to adhere to all the guidelines enunciated in the various advisories issued by the Board.

He reiterated that the Registrar, Prof. Is-haq Oloyede, frowns at all acts that could truncate the smooth conduct of the 2023 UTME. He congratulated the invited centres on their good fortune for scaling the hurdle of accreditation.

The State Coordinator also warned the CBT centres not to register any candidate once they have exhausted their stock of reading texts. He stated that all reading texts to be issued to candidates must have the QR code at the back, stating that on no account should a candidate be given a reading text without the QR code as it is the code that will allow the candidates to access the eBrochure and eSyllabus.

He also informed the centres not to extort money from candidates or warehouse reading texts. He said the remaining texts must be returned to the State Office immediately after registration.

In his response, the Centre Administrator, Eagle Hand CBT Centre, Mowe, commended the Coordinator for meeting the centres to properly brief them on the dos and don'ts of the registration exercise. He pledged the support of all the CBT centres in the State towards ensuring a seamless

registration devoid of any sharp practices.

Meanwhile, the State Coordinator, had, at his monthly meeting with staff of the State Office, set up a 5-man committee to ensure that all logistics needed for the exercise was in place before the commencement of the registration exercise.

The committee comprised Mrs. Folasade Agbonifor, Head, PTC/PRC, Mr. Akindele Dada, Mr. Olayemi Alabi, Mr. Mohammed Ejiwumi, Mrs. Monsurat Ajiboye and Mr. Omoniyi.

The Head, CBT Support Services, Mr. Wale Afolabi, also briefed staff about the outcome of the last accreditation exercise which was conducted in December, 2022. He disclosed that a total of twenty-one CBT centres met the requirements during the exercise. He also noted that out of the nine centres in Abeokuta, only two were accredited which implies more work for the JAMB Professional Registration Centre.

...JAMB Sokoto Zonal Office Pays Courtesy Call On Sultan

Samaila Augie, on Monday, 16th January, 2023, led a delegation from the Sokoto Zonal Office to the Palace of His Eminence, the Sultan of Sokoto, Alhaji Sa'ad Abubakar III.

Mr. Augie, who said he was at the Palace on a courtesy call to His Eminence, expressed the warm regards of the Registrar, Prof. Is-haq Oloyede to the Sultan.

In his address, the Zonal Director thanked His Eminence for his contributions to the

educational development of the State as well as his support to the Zonal Office citing the recent allocation of land to the Board by the State Government for the building of a new office complex, among others.

In his remarks, His Eminence thanked the Zonal Director and his entourage for the visit. He disclosed that he had worked with the Registrar for quite a long time at the Nigerian Supreme Council for Islamic Affairs (NSCIA), the apex Islamic

Authority in Nigeria.

The Sultan described Prof. Oloyede as iconic, a change agent and an enigma worthy of emulation.

"The transformations wrought in JAMB by Prof. Oloyede has made the Board a reference point in Nigeria, we will continue to support his transformation agenda towards the development of education in Nigeria," he said.

JICCS ACQUIRES 1.01 HECTARE OF LAND IN KATSINA STATE

Working in tandem with the welfare agenda of the JAMB Management under the leadership of Prof. Is-haq Oloyede, the JAMB Staff Investment and Credit Cooperative Society (JICCS) has acquired over a hectare of land in Katsina, Katsina State, for its members to build residential houses to alleviate their accommodation problems.

It would be recalled that a similar development in the State Office was published in the Volume 2 No.97, JAMBulletin of 10th October, 2023, titled: "Management Approves Staff Bus for Katsina State" where it was reported that the Management of the Board approved a Toyota Hiace bus as a staff bus for the

staff of the State Office whose new office complex was about 10km from Katsina metropolis.

This time, the Management of the JICCS has thought it fit to consolidate on the JAMB Management's first move by moving home closer to the office so that members of the Society in the State Office could build their own houses.

While members of the Society in the Katsina State expressed their gratitude to the leadership of the Staff Cooperative, they said the dream would not have become a reality if not for the doggedness of the State Coordinator, Mr. Nasir Magashi, who on his assumption of duty in the State had vowed to prioritise staff welfare.

According to him, "Staff Welfare is paramount and I will pursue anything within the ambit of the law that will make staff put in their best in the services of the Board. This may not necessarily be monetary though, but I know that a happy workforce guarantees quality service and quality service guarantees clients' satisfaction."

Mr. Magashi had also facilitated an arrangement between an estate developer in Katsina State and JICCS to obtain the land for his staff in line with the welfare agenda of Prof. Is-haq Oloyede. The success of the deal led to the acquisition of 1.01 hectare of land for interested members of the Society.

CRESCENT UNIVERSITY THRILLED BY OLOYEDE'S EXEMPLARY INTEGRITY, INITIATIVES - PROF. GBAJABIAMILA

Impressed by his achievements and sterling record of service, the Vice Chancellor, Crescent University, Abeokuta, Prof. Ibraheem Gbajabiamila, has commended the Registrar of the Joint Admissions and Matriculation Board (JAMB), Prof. Is-haq Oloyede, for his exemplary integrity and landmark initiatives in JAMB.

The Vice Chancellor gave this commendation during a courtesy call on him by the Ogun State JAMB Coordinator, Mr. Abdulhakeem AbdulHameed.

The erudite scholar commended Prof. Oloyede for his constant remittance of

operating surpluses occasioned by prudent management of resources to national coffers. He declared that JAMB has become a standard which needs to be emulated by all and sundry.

Furthermore, the Vice Chancellor pointed out that the University adheres to all policies and advisories emanating from the JAMB stating that the founder and proprietor, His Eminence, Justice Prince Bola Ajibola, would never compromise on standard or stipulated operating procedures.

He also said the University was committed to contributing to the society

through empowerment of young minds to pursue personal and professional excellence in line with the vision of the institution to deliver university education in ways that recognise personal discipline and integrity noting that the University had not derailed from these noble objectives.

Earlier in his address, the State Coordinator disclosed that the visit was to monitor compliance with the policies of the Board and urged the management of Crescent University to continue to comply with all extant advisories and seek clarifications when necessary.

FEW FACTS ABOUT JAMB

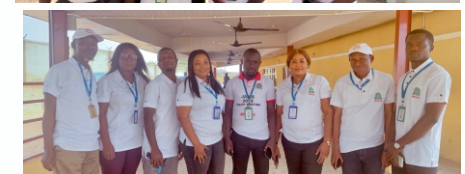

- The Joint Admissions and Matriculation Board (JAMB) was established for the general control of the conduct of matriculation examinations for admissions into all universities, polytechnics, monotechnics, colleges of education and (recently added) Innovation Enterprise Institutes (IEIs).
- Section 5 (2)of the ACT establishing the Board provided as stated: For the avoidance of doubt, the Board shall be responsible for determining matriculation requirements and conducting examinations leading to undergraduate admissions and also for admissions to National Diploma and the Nigerian Certificate in Education courses, but shall not be responsible for examinations or any other selective process for postgraduate courses and any other courses offered by the tertiary institutions. In the implementation of this section, there is always a synergy with the National Universities Commission(NUC), the National Board for Technical Education(NBTE) and the National Commission for Colleges of Education(NCCE) with the endorsement of the National Council on Education(NCE).
- In exercising this power, the Board is always guided by admission guidelines approved by the Policy Meeting under the Chairmanship of the Hon. Minister of Education with all Heads of Tertiary Institutions and other stakeholders in attendance.
- Since the inception of the Interim Joint Matriculation Board Examination (IJMBE), JAMB appoints moderators for all its questions as well as the grading of candidates scores. It has always done this without failing to still accommodate 'HSC' within the current 6-3-3-4 system. The National Council on Education(NCE) guidelines for the Joint Universities Preliminary Examinations Board (JUPEB) also endorsed the practice for JUPEB.
- The Joint Admissions and Matriculation Board shall continue to operate within its laws.

others.
Speaking further, Mrs. Egbuna revealed that the campaign was also fundamental to the proper identification of the Board's actors in the registration exercise. Continuing, she said another paramount thing was to spread the message on data privacy and the cashless payment method adopted for the exercise in order to ensure that unauthorised persons do not take undue advantage of UTME candidates as well as safeguard candidates from overpayment, cash transactions with fraudsters and payments without receipts. She also advised candidates against sharing their data with anyone without verifiable reasons.

In her concluding remarks, she submitted that the objective of her Unit was to drive commendable service delivery to the satisfaction of the general public and to sustain the image of the Board through displaying of professionalism in its approach to service delivery.

JOINT ADMISSIONS AND MATRICULATION BOARD

NATIONAL HEADQUARTERS, BWARI, ABUJA

ADVISORY TO INSTITUTIONS ON HOW TO HANDLE THE CONDONEMENT OF UNDISCLOSED ILLEGAL INSTITUTIONAL ADMISSIONS (CUIIA) (ADMISSIONS CONDUCTED OUTSIDE CAPS 2017-2020)

The Board introduced the **Central Admissions Processing System (CAPS)** in 2017 as the transparent platform for all admissions. Regrettably, some of the institutions continued to admit some, indeed large number of candidates (undisclosed to JAMB), thereby jeopardizing the interest of such candidates admitted through under-the-table deals.

Recent events made the candidates protest the disadvantages of such non-disclosure and lack of formal recognition of their degrees. Such Institutions are now being compelled by necessity to confess their past deeds of undisclosed admission.

This Advisory is to guide the affected institutions on how the candidates can be rescued:

- i. The institutions should first and foremost declare the number of candidates admitted outside CAPS by sending a formal letter of confession and disclosure (LCD) to the Registrar of JAMB.
- ii. The letter of confession and disclosure should have the list of candidates attached. A copy of the letter and the list of candidates should be sent to JAMB state office where the institution is located. The list and total number of affected candidates for each year of admission should be clearly specified with the Programme (i.e Course of Study).
- iii. If the Board upon receiving the letter (and after due scrutiny and investigations) grants approval, the institution shall be contacted within 2 weeks of acknowledged receipt of the LCD.
- iv. The portal is then opened for the Institution to upload the list of candidates already submitted.
- v. The letter of approval from JAMB to the institution and the uploaded list shall contain the following:
 - the academic year for which the retroactive approval is granted;
 - total number of candidates, and
 - the period of grace (**not exceeding 60 days**) within which the affected candidates must complete the process of **Condonement of Undisclosed Illegal Institutional Admission (CUIIA)**. Only the candidates declared by the institutions are to visit JAMB office and complete the appropriate form online after paying the prescribed fee (i.e) the application fee of N4,000 only is paid by those without JAMB Registration number for the year and N5,000 penalty paid by every candidate involved.
- vi. The records of the candidates shall then be made available on CAPS after they have completed the online process.
- vii. The Admission Officer of the Institution shall retroactively propose formally the candidates to the Head of Institution who in turn shall recommend the candidates within the specified time.
- viii. The JAMB Desk officer too, shall retroactively approve the candidates on CAPS within the original list submitted by the institution. After approval, the previously illegal students will be able to print their JAMB admission letters from e-facility on JAMB Portal.
- ix. It should be noted that the admission letter would henceforth carry the date of the retroactive approval and not backdated to protect the Board's integrity of the data it might have provided before the condonement. The admission letter would also be named "**Retroactive Letter of Admission**" to reflect the correct history of the admission.
- x. Please **NOTE** that only candidates on the list declared by the institutions shall be attended to at the JAMB office. The Board shall not extend the period of grace granted to each institution. Any candidate that does not complete the process within the allotted (maximum two months) grace - period loses the remedial opportunity.

MANAGEMENT

JOINT ADMISSIONS AND MATRICULATION BOARD

ATTENTION!!!

Serialisation of guidelines for the 2022 admissions exercise continues.

Second series.

CESSATION OF ILLEGAL/IRREGULAR ADMISSIONS

- 🌐 All applications of admissions to **First Degree, National Diploma, National Innovation Diploma and the Nigeria Certificate in Education into Full-Time, Distance Learning, Part-Time, Outreach, Sandwich, etc.**, must be processed **ONLY** through the Joint Admissions and Matriculation Board (JAMB).
- 🌐 No Institution should advertise or sell “application forms” for admissions into the programmes. Institutions should advertise candidates to apply to them through Joint Admissions and Matriculation Board (JAMB). Duplication of application forms is **NOT** allowed.
- 🌐 Joint Admissions and Matriculation Board (JAMB) and the three (3) Regulatory Agencies (National Universities Commission (NUC), National Board for Technical Education (NBTE) and National Commission for Colleges of Education (NCCE) will ensure that all Tertiary Institutions comply with this policy directive. Other Professional Regulatory Agencies will also play a role in sanitizing the process.
- 🌐 The duration of all Non-Full Time Studies must be maintained as approved by the Regulatory Agencies. This is generally not less than one hundred and fifty percent (150%) of the equivalence of Full Time.

ADVERTORIALS

- 🌐 Institutions that desire to place advertisement can do so with the requirement that candidates who sat for the current **UTME** (or **DE** candidates) should change to their institutions as First (1st) Choice rather than requesting the candidates to purchase another application form or apply. This is to prevent the issue of double registration which is a violation of the mandate of JAMB.
- 🌐 It should be reiterated that no Institution should advertise or sell “application forms” for admissions into the programmes listed above. Institutions should advise candidates to apply to them through Joint Admissions and Matriculation Board (JAMB). Duplication of application forms is **NOT** allowed.
